

WHY BECOME AN ASSOCIATE MEMBER?

Associate Memberships are designed to provide you, our partners, with visibility in the nonprofit sector and interaction with our member organizations, in addition to the opportunity to learn alongside them. You will have the option to attend events; sponsor workshops; advertise and receive recognition both in print and online; host sessions at our annual Nonprofit Day conference; and have direct, face-to-face access to membership.

This exposure will allow you to engage with leaders in the nonprofit sector and will give you the opportunity to share your company's expertise and products.

Join us today in advancing the missions of both your company and the valuable nonprofit sector here in the greater Erie area.
